

DEEP SOUTH[®]
INSURANCE SERVICES SINCE 1967

We are pleased to announce that a **DIRECT BILL** option is now available for all Quotes!

All policy types are eligible for the Direct Bill Program with no minimum premium requirements, no finance charges and no class restrictions. Simply request the Direct Bill option from your Underwriter when you're ready to bind coverage on your Quote.

Direct Billing Options:

- The Insured may choose to make payment in full on their first invoice or utilize one of the three installment options:
 - **20/9 = 20%** Down Payment due in the 1st month's statement and **9** consecutive equal Installments will be billed beginning on the 2nd monthly statement.
 - **25/5 = 25%** Down Payment due in the 1st month's statement and **5** consecutive equal Installments will be billed beginning on the 2nd monthly statement.
 - **35/3 = 35%** Down Payment due in the 1st month's statement and **3** bi-monthly equal Installments will be billed beginning on the 3rd month of the policy. The insured will be billed again every 2 months and the final payment will be made on the 7th month of the annual policy.

Once an account has been bound an Installment Detail Sheet will be attached to the Binder. This provides the Agent and the Insured the chosen plan's future installment payment details. A statement will be generated from our Accounting Department and an invoice will be mailed via USPS directly to the Insured requesting the initial down payment. Subsequently, the successive installment billing statements will occur at 30 day intervals for the remainder of time associated with the Insured's selected payment plan.
