

General Liability

Customer Focused >>> Market Driven >>> Forward Looking

General Liability Insurance Overview:

Since general liability insurance is one of the cornerstones of any sound commercial insurance strategy, it's critical that agents and their customers have a stable market to address these needs. Deep South offers high quality general liability insurance protection to a wide range of customers at competitive prices. Deep South is a member of QBE, one of the world's largest and most respected insurance organizations. In these turbulent times, financial stability is a key consideration.

Deep South provides general liability insurance to businesses nationwide, ranging from multi-site manufacturing operations to small distribution companies. Examples of classes of business for which Deep South can provide general liability insurance include:

- Transportation
- Wholesale
- Distribution
- Manufacturing
- Service
- Contractors*

Deep South's regional office presence provides underwriters with the ability to better understand the unique characteristics of the general liability market, by area and industry. This local market knowledge, combined with local decision making authority, enables Deep South to respond quickly and effectively to the needs of agents.

About Deep South

Since 1967, Deep South has been helping independent insurance agents across America meet the insurance needs of customers. Deep South specializes in providing commercial insurance products to companies with favorable loss experience and a strong emphasis on safety. With more than forty years of experience, Deep South continues to draw upon its market driven, entrepreneurial roots, seeking to provide the insurance that America's businesses need to grow and prosper. As a customer focused organization, Deep South is committed to providing unparalleled service to insurance agencies and their customers, while reducing the friction and costs often associated with the purchase of the product. Deep South is a forward-looking company open to new opportunities in the marketplace. The company is constantly working to anticipate changes in the business landscape, enabling it to better meet the product and service requirements of customers.
